The logo for the American Academy of Ballet (AAB) features the letters 'AAB' in a large, bold, serif font. The letters are a vibrant pink color, matching the text used throughout the document. The 'A' and 'B' are significantly larger than the 'A' in the middle, creating a stylized and prominent monogram.

PERFORMANCE AWARDS

The Performance Awards were created by Mignon Furman to give definition to her vision of classical ballet education - technique proficiency, and personality in performance. The Awards are all over America, and in other countries as well. Teachers study the program from the DVDs. There is a certification course at our Teachers' Seminar at Purchase College State University of New York, during our Summer School there.

"Six New Dances" are new solo dances that were recently added to the Awards, making a choice of 3 solo dances for Levels 1 to 9. Levels 7 to 9 also includes a solo dance for boys at each Level 7 to 9.
